

# COACH POLSTER'S CAMPS

We had a blast at basketball and art camp. In basketball camp, campers learned new drills, practiced shooting, and had numerous scrimmage games. In art camp, campers spent the week exploring new mediums and learning about different styles of art. The finished off the week with a field trip to MOCA where they explored different exhibits and spent time playing in the art explorium.

We hope to see you tomorrow at Amazing Race camp. Come Race your way through the week! Similar to the TV show, campers assemble into age based teams and compete with one another in a long series of physical and mental challenges. These puzzles are organized and presented by counselors at a variety of stations, whose whereabouts remain hidden throughout the Assumption campus. It will also be challenging, thought-provoking, and of course, require lots of teamwork and patience. Monday through Wednesday campers will practice different activities to prepare for the actual race on Thursday. Friday the entire camp will celebrate by heading off to Adventure Landing.

Walk ups are welcome and daily rates are available.

Please contact me with any questions or concerns.
